

Neighbors Night Out

TUESDAY, AUGUST 6

Wouldn't it be GREAT to get to know your neighbors more? The plateau area has been promoting neighborhood gatherings for the last 8 years to create healthier and safer communities.

Occurring always on the first Tuesday of August, Neighbors Night Out is an opportunity for neighbors to meet and learn about their neighbors. Simply put, our community will be healthier if we know who lives beside us, if a friendly smile can be shared more often, if a helping hand can be offered more readily. Can you be a positive influence in your community?

Any size works – tea for two in the afternoon, a potluck picnic or a block party. Be creative and have whatever type of event you want. Use the invitation as one possible way to reach out.

Many Fire and Police Departments take part in this building of community solidarity, so reach out and ask them to drop by. Even Enumclaw's Mayor went around a bit last year.

Our web site has a flyer, and call for more information. Go to our Facebook and share with friends. Set up your own Facebook Community Page or use Next Door to facilitate communications.

Help make our community a nicer place to live!
